**GERNERAL INSTRUCTIONS:**

This procedure will be performed at the Gastrointestinal Diagnostic Center (GIDC), 700 Geipe Road, Suite 220. Please arrive at the center 30 minutes prior to the scheduled time. The procedure takes approximately 20-40 minutes. Then you will be taken to the recovery room where you will remain for about 45 minutes. Therefore, plan to spend approximately 2 hours at the procedure center.

You will be sedated for the procedure and you will not be allowed to drive home or return to work after the procedure. Please arrange for transportation to and from the center prior to your appointment. Because of the limited seating in the waiting room, we ask that you please have only one person accompany you, however that person can drop you off and pick you back up once the procedure is complete.

**PREPARATION:**

It is very important that you **DO NOT** eat or drink after midnight, the evening before your procedure.

If you are having an afternoon appointment, you may have clear liquids until \_\_\_\_\_ the morning of your procedure. From Midnight until \_\_\_\_\_ only clear liquids.

**PLEASE DO NOT DRINK ANYTHING RED, ORANGE OR PURPLE!!!**
