Frequently Asked Questions

1. What will the laxative medications do?

Dulcolax (Bisacodyl) and enemas are laxatives. They are meant to cleanse the bowel. Please make sure you are in the comfort of your home once you begin taking the medications, as they will cause diarrhea.

2. How long will the procedure take?

a. At East Bay Endosurgery: Please plan to be at the center for a total of 2 hours.

3. How can I find out the cost of my procedure?

If you are inquiring about the facility fee:

- a.** For East Bay Endosurgery Center contact our Central Billing Office at 1-866-809-1220
- b.** For Summit Medical Center contact the financial department at 510-655-4000
- c.** Provider Fee- You will receive a call approximately one week prior to your procedure with the estimate cost. If you do not receive a call at least 3 days before, please contact (510) 444-3297 ext. 220.
