

# ORTHOPAEDIC SURGERY CENTER & GAINESVILLE OUTPATIENT ANESTHESIA, P.A.

---

Dear Patient,

From the Anesthesiologists of the Orthopaedic Surgery Center:

Welcome to the Orthopaedic Surgery Center. The department of anesthesiology at the Orthopaedic Surgery Center specializes in the care of orthopaedic and plastic surgery patients. We are 5 board certified MD Anesthesiologists who are clinically skilled in regional anesthesia.

As a patient presenting for surgical care at the Orthopaedic Surgery Center, you are assured a qualified physician that will provide the highest standard in Orthopaedic Anesthesia and Pain Management. We make patient safety a priority.

Our philosophy is to work in a multi-disciplinary team approach. We will consult with your surgeon, physicians and our nurse specialists to assure your surgical experience goes smoothly.

As a patient, please ask any questions regarding our experience and training. We are committed to providing you with safe and quality anesthetic care.

We look forward to serving you. Thank you for choosing the Orthopaedic Surgery Center.
