MAKE THE MOST OF YOUR SURGERY BY FOLLOWING THESE SIMPLE STEPS.

THE DAY OF YOUR SURGERY

- A nurse will call you prior to your surgery to go over your instructions. Please make sure we have the phone number of another contact person if we are unable to reach you.
- Wear comfortable, casual clothing that buttons down the front. Do not wear fingernail polish, make-up, lotion, perfume, aftershave, or jewelry.
- Leave all your valuables at home.
- The evening before surgery, please do not eat anything after midnight. If your surgery is performed after 12 noon, you may have tea, water and toast no later than 6 a.m. the morning of your surgery. Please avoid alcohol for 24 hours before and after your surgery.
- Please arrange for someone to take you home after surgery. You will not be allowed to leave the surgery center unescorted, and you may not drive yourself home. You may use public transportation only if an adult accompanies you.
- If you use an inhaler, we encourage you to bring it with you the day of surgery. The nurse will discuss diabetic and other medications with you in the preoperative phone call.

WHEN YOU ARRIVE

- You or your legal guardian/power of attorney will be asked to sign a consent form to authorize your procedure if this has not been done prior to your arrival. Proof of legal guardianship or power of attorney is required.
- Please check-in with the receptionist upon arrival. Your current insurance card/Medicare card and picture ID will be copied and returned to you.
- Any co-pay or deductible will be due the day of surgery.
- A sedative medication will be given to help you relax and make you feel more comfortable.
- You will be given oral and written discharge instructions before going home.

BILLING AND INSURANCE

- If you have questions, please feel free to call our billing office at 620-664-5252.
- You will receive three separate bills for the services provided, including physician services, facility fee and anesthesia.
- Self-pay patients are welcome at our center. As with insured patients, we will be happy to discuss payment plans and options with you.

WE VALUE PATIENT FEEDBACK

Providing excellent service is a high priority at Surgery Center of South Central Kansas. The goal of each and every staff member is to provide our patients with a high quality, comfortable, and relaxing visit. We would appreciate it if you would complete our patient satisfaction questionnaire after your visit. Your comments are important to us.
